

- **PLEASE BE AWARE:** This is not a *professionally* timed event, no chips, no video finish, etc. This is a low-tech, “old fashioned” run/walk designed to be novice-friendly, as well as a fun race for advanced racers.
- **THE COURSE:** Through the streets of Belleville and around Lake Bellevue. Water will be available on the course. Fruit is available after the race.
- **PRE-REGISTER** by July 22, 2022. See form on other side. Pre-registrants get a custom designed t-shirt. Shirts (and/or the size chosen) for registrants after July 22 cannot be guaranteed. Mail your registration and payment to the address inside this brochure.
- **REGISTER & PICK UP YOUR RACE NUMBERS** between 7:30 and 7:55 a.m. at Sugar River Park. Mass Start at 8:00 a.m.
- **PRIZES** include medals for the top two finishers in each age/gender category (excludes 5k walk)
- **MEDALS** for Fun Run presented at approximately 9:00 a.m.
- **RESULTS** posted on Facebook under “Belleville Fun Run”

We encourage participation in this event by people of all ages and abilities.

Your help and support in keeping this “family-friendly” is appreciated.

Thank you to all volunteers that help at the Fun Run!

*This event is organized as part of the annual **Belleville Community Picnic, August 12-14.** Your participation in this event helps us to raise funds for the **Belleville Community Club** and its various community improvement projects and high school scholarships. Check out the festivities during the weekend! There are games, fireworks, kickball, bingo, a BBQ rib contest, live music all weekend, and food and refreshments every day and night.*
