SPRING QUARTERLY MEETING @ BORLAND'S APRIL 23, 2019 DINNER AT 630 PM MEETING TO FOLLOW

WINTER QUARTERLY MEETING MINUTES

February 5, 2019

(Date changed due to weather)

Meeting Called to Order at 7:03 pm

Members Present:

Gary Ziegler, Gary Salmela, Randy Nolden, Erin Nolden, Roger Hillebrand, Joe Buol, James Nolden, Emily Weber, Jami Noble

Secretary Report:

Gary S stated that the newsletter was sent out both via mail and email.

Motion by **Randy N**, seconded by **Joe B** to accept Secretary Report. Passed.

Treasurer's Report:

Randy N handed out and discussed the report. He pointed out all the big expenses over the past three months. These expenses included all four scholarships, Lake donation (5 of 10 donations given), Library donation, down payments for BCP bands, and taxes/preparation.

Motion by **Erin N**, seconded by **Jami N** to accept Treasurer Report. Passed.

2018 UFO Day Beer Fest: Randy N felt that this event was a huge success and he wanted to thank everyone for their help. He also wanted to thank all

our sponsors. So far, we are approximately \$164 to the good but have one invoice that is still outstanding. He put together a "Save the Date" flyer and it should go out to the brewers over the next few days. With this being our first year he felt there are a few things that we can do better next year. We need to advertise better and more cost effectively, need to get a few more brewers but have each brewer bring less beer, and work on getting more sponsors. Next years date is October 26, 2019.

2019 Belleville Community Picnic: Gary Z led the discussion about how planning was moving along with 2019 BCP. The Board of Directors has decided to try a different band on Friday night. The new band is called Kings of Radio. All the main contracts for supplies and entertainment have been signed. There will be a change to the Rib Contest this year. We have two new chairs for this event, and they are making some changes that will make this event much better. We are looking into some different lights for the ball field so we can change some of our event locations.

Save the Date

2019 BCP August 8, 9, 10, 11

UFO Day Beer Fest October 26

2019 Dues

&

\$150 for a business

Yearly- \$5 for individuals/families, \$10 for business

Send your dues to the PO Box listed below

Help us save money on postage, PLEASE share your email address with us!!!!!!!!!!!!!!

Community Club Website: The Board of Directors has been discussing the adding a website. **Erin N** has been researching different website hosting sites. These site's costs range from \$5 to \$25 per month. This will help with help get information out about the community about the club and help link all the community groups in Belleville together. Motion was made by **Gary S** to spend up to \$500 per year for website hosting and design for the Community Club website. Seconded by **Emily W.** Passed unanimously.

Sugar River Park Flag Pole: **Roger H** was able to obtain a flag pole from the Belleville School District. He is requesting a donation to offset the costs to install it in Sugar River Park. The pole would need a new sleeve and possibly electrical trenched to illuminate the flag. He feels the cost would be no more than \$300. We discussed his request and decided to table it til the

next Membership Meeting so he can get better numbers.

Boy Scouts 50th Anniversary Celebration: The Belleville Boy Scouts will be celebrating their 50th year this summer. Their charter started on April 1, 1969. **Gary Z** has been in contact with them and they would like the community club to be part of their celebration since with have be supporting them for so many years. They are in the planning stages and will have more information in the future for us.
